

# Crwys Pharmacy CCTV Notice

## Our Commitment

At Crwys Pharmacy, we prioritize the safety and security of our staff and patients. For this reason, we have CCTV cameras throughout our premises, including the consultation room.

## What You Need to Know

### 1. Where We Have CCTV:

- CCTV cameras are placed in key areas of the pharmacy, including the entrance, main areas, and consultation room.

### 2. Why We Use CCTV:

- To protect our staff and patients.
- To prevent and deter criminal activities.
- To help resolve any incidents that may occur.

### 3. Privacy Matters:

- All CCTV footage is treated as private and confidential.
- Only authorized personnel can access the footage.
- Footage is not shared with third parties unless required by law.

### 4. Data Handling:

- CCTV footage is stored securely.
- Footage is kept only for a necessary period and then deleted securely.

If you have any questions or concerns, please speak to the pharmacy manager. Thank you for your understanding and cooperation.
